**GENERAL LETTER**

Sir:

Applicant wishes to clarify for the record that the priority document for the above-identified application has been received by the USPTO.

Applicant notes that the Notice of Allowance dated June 10, 2010 and the Office Action dated December 9, 2009 do not indicate that the priority document has been received. However, the Notice of Acceptance of Application dated October 1, 2007 does indicate that the priority document has been received. Moreover, applicants note that the Image File Wrapper for the application includes the priority document as having been entered on October 16, 2006.

Accordingly, applicant understands the above acknowledgement of receipt of the priority document in the Notice of Acceptance of Application to constitute acknowledgement of receipt by the U.S. Patent Office for purposes of claiming priority under 35 U.S.C. §119. If applicant is mistaken in such regard, applicant respectfully requests that a corrected Notice of Allowance indicating receipt of the priority document be issued.

Should the Examiner feel that a telephone interview would be helpful to facilitate favorable prosecution of the above-identified application, the Examiner is invited to contact the undersigned at the telephone number provided below.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
